INTRODUCING

Sigma Six Complete Armour System

Comfort & Durability

State-of-the-art carrier materials such as Supplex® Nylon, a CoolMax® lining, and low profile Velcro® makes our Sigma Six™ concealable body armour one of the most comfortable, low profile and highest quality vests on the market today. Combine all of these features with our exclusive ProFit™ Sizing Program - which ensures an accurate fit, proper coverage and maximum comfort the first time, every time - and you have the ultimate body armour for Canadian Public Safety Professionals.

Multiple External Carriers

Maximize your safety and flexibility with 4 unique external carriers to suit virtually any situation. All Carriers fit the Sigma style ballistic panels and are available in: **Black, Navy, Dark Navy, Tan, Olive & Grey.**

Features	Benefits
Ergonomically Superior Design	• Sigma Six™ panels are ergonomically contoured for an accurate, comfortable fit
Patented ProTect™ Ballistic Panel Protection System	• Patented desiccant technology safely removes moisture from inside our ballistic panels, preventing degradation from moisture, heat or light
Ballistic Panel Suspension System	• Holds panels securely with low profile, Velcro® • Prevents curling, shifting or buckling of ballistic panels • Maximizes comfort and eliminates the risk of exposed areas
Self-Aligning Contoured Trauma Pad/Plate	• Easily inserted through our ProLoad™ side panel access (Concealable Carrier) • Provides increased trauma protection over vital center-chest area • Eliminates bulk - no extra pocket required • Self aligns into proper position • Velcro® hook and loop holds the trauma pad/plate securely in place
CoolMax® Extreme Carrier Lining (Concealable Carrier)	• Wicks moisture away from the body • Regulates temperature: cooler in the summer and warmer in the winter • Inhibits growth of bacteria and fungi and is anti-odor
Supplex® Nylon Fabric (Concealable Carrier)	• Quick drying and odor resistant • Comfortable to wear, easy to clean and durable
12-Point Adjustable Carrier (Concealable Carrier)	• 12-point elastic adjustment system allows for optimum fit • Straps are made of durable knit elastic with low profile Velcro® attachments • Each strap features our exclusive "lift-tab" tip for easy adjustment and removal • Straps are removable for easy carrier cleaning
ProLoad™ System (Concealable Carrier)	• Innovative front and back opening for easy panel access and removal • Eliminates uncomfortable seams inside the carrier • Allows for easy insertion of a Trauma Pad* or Plate* (not Included)
